

## ITINERARY:

Arrive and sign in at the OWL Rafting front desk. Join others for your trip briefing, gear up, and climb aboard the OWL bus for a short transfer to the 'put-in', the start of your river day.

Here you meet your guide who will have you practice your strokes to prepare for the rapids ahead. Your guide sets the boat up for the best line, and with everyone paddling, splash through waves and get wet - the water is warm with Ontario's hot summer weather. Each rapid on the Ottawa is followed by a 'pool', giving you time to relax and prepare for the next one. We stop for a snack and maybe some cliff-jumping, float and perhaps see an osprey, beaver, or fish
