

## Stay & Raft 2 Days / 1 Night

*Experience the dynamic waters of Canada's legendary Ottawa River in a guided raft. Overnight beach-side in your own motorhome, cabin or cabaña. Get your feet wet, as you splash and roll through one of the world's great whitewater routes. OWL is a three generation family-run resort, renowned for its attention to detail, exceptional service, and locally-sourced cuisine. This will provide you with the ultimate 'Canadian' vacation.*

### ITINERARY:

**Day 1:** Arrive in at 11:30am for your trip briefing (lunch can be an ADD-ON), gear up and climb aboard the OWL bus for a short transfer to the 'put-in', the start of your river day. Here you meet your guide and practice your paddle strokes to prepare for the rapids ahead. Descend the legendary 12km of whitewater on the mighty Ottawa, charging through meter-high waves. Stop for a snack, body-surfing, or cliff-jumping along the route.

At rapids' end you board the Pontoon boat for a hearty hot barbequed dinner on the return cruise to the resort. Relive your day's adventure: watch a short video of your trip in the post'n'beam pavilion. Enjoy a sauna or a hot outdoor shower, go for a swim from our sandy beach or take a canoe out on the lake. Settle into your motorhome, cabin or cabaña before relaxing by the waterside campfire.

**Day 2:** Breakfast is buffet-style on the lakeside patio, relax and enjoy the resort before your departure at 11am.
